April 2013

This School year is coming to an end and we are very excited preparing and organizing our Graduation/ End of the Year Show! The teachers already started rehearsing with the children for this wonderful event that is scheduled for Friday, June 7th 2013.

Summer is around the corner! And we are happy to bring "The Factory of Fun". An amazing summer camp where children ages 1 to 12 years old will discover, explore and live a Safari, will Travel Around the world in 60 days and go through a Time Machine visiting the cavemen and stepping on the moon.

Remember to save your spot before April 30th 2011.

Preschoolers continue with their regular schedules during the summer months in a specially designed summer camp for them.

On April we will be talking about:

- ✓ Topic of the month: Animal kingdom
- ✓ Artist of the month: Guayas Amin
- ✓ Country of the month: Ecuador

EARTH DAY

Earth Day began on April 22, 1970 and is celebrated every April 22 since then. It's a day to remind us to take care of our Earth. We reflect on our planet, our environment, and learn what we can do to help keep the earth healthy. Since that is a weekend, we will have our Earth Day celebration on Monday, April 22th. We have many activities planned to help our students learn to reduce, reuse and recycle.

PICTURE DAY

April 8th is Picture Day. Children wear their school uniform. For the children graduating we will supply the caps and gowns so they will have both school and graduation pictures. All children will have their class picture taken. No pre-payment is required..
