December 2014

Topic of the Month

This month we will introduce the theme “**Sound and Music**”. Sound and Music invites us to experiment with music, sounds, listening skills and the most significant instrument, our voices. Certainly, this monthly unit integrates a lot of science, literacy, numeracy, art and physical education and though it seems to focus solely on the sense of hearing, Sound and Music can be developed as a five senses theme. Children will feel the beat as they explore music through different sounds, songs instruments, rhymes, counting, movement and many more.

12TH Annual December Festival and Bazaar

Our Annual December Festival and Bazaar is getting closer and closer. The festival will take place at **First Steps International Academy** on **Sunday, December 14th, 2014** from **11:00 am until 4:00 pm**. Just as in past years, the school’s parking lot will be closed off. There are many activities planned for the children! There will be face painting, bounce houses, Santa Claus and much more. There will be music, food and beverages for children and adults to enjoy! There will also be a Bazaar where vendors will be selling items such as jewelry, adult and children’s clothing, homemade crafts and more. There will also be raffles held throughout the day. If you or someone you know is interested in setting up a table/booth to vend items at the Bazaar (all you need is your own table and shade), spaces are available for only \$40 for the whole day. We are pre-selling tickets for children’s rides, activities, raffles, food and beverages.

The price for each ticket is \$1 (rides, activities & raffles) sold on the day of the event. **If you purchase a bracelet you can get unlimited tickets for \$20.00.**

Feel free to invite family, friends and neighbors to join us in our festivities!

We Hope to see you all there!!!!
