July 2013

So far our summer camp has been incredible! Our kids learned about Prehistoric Age, Medieval Traditions and different things at the 70's. Explorations to the Safari and Meet safari animals are to come! These experiences will be amazing!

The ice cream truck will continue to visit the kids to enjoy the yummy ice cream on Wednesdays. The children enjoy the water play because it's great to cool down in the summer heat.

There are special visits scheduled all summer long. A Cave woman visited us and we enjoyed dancing with her and the children enjoyed the Ponies rides with their costumes. They can't wait for the underground reptiles, the visit of a Lion and meet some animals from Africa!!

Our Summer camp registrations are still open! And our **summer camp programs** are bringing lots of fun and creative activities.
