January 2014.

Welcome to the year 2014!!!!!!

Welcome back to our families that have been off vacationing and/or spending time with family and friends. We certainly hope that everyone had a wonderful, safe and happy holiday. Our staff would like to extend a personal thank-you for all the wonderful gifts, goodies and good-will brought to us by all our loving families. We do appreciate everything you have done for us. As the season's festivities recede and the New Year approaches, our thoughts naturally turn to the future. Our children have returned to school with boundless energy and enthusiasm. 2014 promises to be a year full of more learning opportunities balanced with lots of fun activities at VIP Kids Preschool

Topic of the Month

This month we will introduce the topic Design and Technology in a creative and provocative way!

Children will be encouraged to actively participate in activities in a variety of subject areas, including language arts, math, science, art, and social studies.

Designing uses imagination, creativity, risk taking and problem solving to investigate, plan, generate, synthesize and realize ideas.

The children will be also exploring the country of Kenya and they will also learn about Steve Winter and his Photography.

11TH Annual December Festival and Bazaar

Thanks to all the families and staff involved in the December Festival and Bazaar for all your help and

generous donations. Our D.J set the mood for a festive atmosphere. Bounce Houses, Trains, and Arts and Crafts were some of the activities enjoyed by the children. The schools chorus performances were a great success and enjoyed by all. Santa came to town and took pictures and there was an abundance of delectable foods to taste and plenty of shopping opportunities. Thank you to everyone who participated this year in the Raffle and Congratulations to the winners.
