## July 2014

So far our summer camp has been incredible! Our kids learned about the Prehistoric Age, Medieval Traditions and different things from the 70's. This month we will explore through a Safari and meet Safari animals. These experiences will be amazing!

The ice cream truck will continue to visit the kids to enjoy the yummy ice cream on Wednesdays. We will continue to cool off from the summer heat during our water play.

There are special visits scheduled all summer long. We can't wait for the underground reptiles, the visit from a Lion and meet African animals!

Our summer camp registrations are still open! And our **summer camp programs** have lots of fun and creative activities.
