MARCH 2016

THEME OF THE MONTH

Is an artist only a person who paints, sings, or writes? Definitely not! An artist produces beauty by being apt in a specific skill or set of skills. Therefore, an artist is a person who produces art. Nevertheless, what is art? Let us first try to define what art is. Art is a different range of human activities and the products of those activities, generally comprising imaginative and/or technical skill. Art may also be in terms of representation of reality, expression, communication of emotion, or other qualities. However, the definition of what composes art is debated and has changed over time. Common descriptions mention an idea of imaginative or technical skill stemming from human agency and creation. The nature of art and and creative skills and produce art. Hence, it invites related concepts such as creativity and interpretation are explored in a branch of philosophy known as aesthetics. In the perspective of the history of art, artistic works have existed for almost as long as humankind has, as early as prehistoric art to contemporary art. Through this themed unit, VESS invites everybody to turn on their imaginative us to become artists and discover our talents and skills. “**I Am an Artist**” will let us know ourselves better and discover the so many artists around us!

The artist of the month will be **Frida Kahlo** and the country will be **Nicaragua**.
