THEME OF THE MONTH

Dear Parents,

We had a great time in our Fall Celebration. We did great activities for that day: parades, pumpkin carving, trick or treat around the school, etc. **Thank you parents for your collaboration to make this day a wonderful experience for your children**, and special thanks to our teachers for their huge effort in making this celebration such a great one.

This month we will introduce the theme **"Machines and I"** throughout the month, we will have discussions and experience activities related with the Topic. The artist of the month will be Eliot Porter and the country will be England.

This year our Thanksgiving Feast will be a special day! It is a day to get together and give thanks for everything that we have. This year we are inviting you all to come for lunch, so the children will better understand the idea of giving and sharing. Please remember to mark your calendars for this special occasion. We hope to see you all here!
